## **One-Year Limited Warranty on Cabinets**

ASCH Fixtures and Millwork warrants to original purchaser for a period of one year from the original date of purchase that all components of ASCH shall be free from defects in material and *a one-year warranty for workmanship* under normal use. This warranty is only applicable to products used in standard North American residential applications, excludes special finishes, and is not transferable. Should defects in material or workmanship exist during the applicable warranty period in any of ASCH's product, ASCH will elect at its discretion to either repair or replace the defective material or component free of charge. This warranty covers only parts and materials of the products supplied by ASCH. Not covered under this warranty are counter tops, appliances, plumbing fixtures, etc. This warranty shall become void if the cabinets are in any way modified. This limited warranty applies only in the case of the standard residential application in the United States and is void for all other applications.

Furthermore, this warranty will not apply to cabinets damaged by misuse, neglect, abuse, acts of God, exposure to extreme temperatures, the effects of normal wear and tear or exposure to moisture including, but not limited to, excessive or continued exposure to moisture as a result of leakage, improper plumbing, flooding, etc. Hardwoods vary in color, characteristics, and may exhibit subtle changes as they age. Sunlight, smoke, household cleaners and other environmental conditions may also affect the color match over time. These variations are considered the nature of the material in relation to their environmental exposure and are not covered under this warranty. Hardwoods will expand and contract physically when environmental changes occur in the normal setting of one's kitchen. Changes in temperature, humidity, or prolonged moisture will cause normal "movement" in hardwood products. Hairline cracks or "separation" may appear consequently becoming visible over joint areas. Painted face frames, doors and other painted products (doors) may develop joint separation and visible cracks. Visual variations such as these are considered normal and customary in our industry. Characteristics developing from the materials used constructing ASCH's cabinetry relative to its environment is not covered under ASCH 1-year limited warranty.

ASCH's 1-year limited warranty shall become void from the improper use of household chemicals. Alkaline, acidic and ammonia-based detergents and cleaners, as well as vinegar and strong solvent-based cleaners, and water exposure severely affect the finish of a ASCH's cabinet. This also includes mineral spirits, paint thinner or any other harsh cleaning chemicals including citrus and citrus based cleaners or any abrasive cleaning products.

ASCH reserves the right to alter designs, specifications, and materials, and will periodically do so, as conditions require and improvements are developed, without obligation to make similar changes to products previously manufactured. The repair(s) or replacement(s) are contingent upon the current product offerings of styles and construction options within the ASCH Product Line at the time of the warranty claim. If a warranty claim is filed after a product has become obsolete, or has undergone design, specification, or material changes, we reserve the right to honor the warranty in one of the following manners:

1. To replace the affected component with a new component of the same style.
2. OR any affected component to achieve a uniform appearance with a comparable product style.

## **Limited 1-Year Warranty Cabinet & Accessory Specifications**

If components are replaced, ASCH cannot guarantee the finish of these replacements will exactly match the finish and appearance of the components in the residential application due to the changes that occur during hardwoods natural aging process. Imperfections are part of its inherent natural beauty. Wood varies in color and characteristics that exhibit subtle changes as it ages. For example, white-painted face frames will eventually have visible seam lines at the joint areas, and individual cabinet wood species will darken or lighten with time. Imperfections are not the result of manufacturing one's cabinets, ASCH's Limited 1-Year Warranty will not cover differences in color, grain and natural variations including but not limited to those "character" imperfections indigenous to the species of hardwoods used by ASCH nor does it cover possible differences in color when adding new cabinetry to old.

This warranty applies only to products manufactured or supplied by ASCH. Any interpretation herein other than written is unwarranted. This warranty applies only to products used in residential applications within the United States and is not transferable to subsequent owners. This warranty supersedes all previous warranties from date of issuance. This warranty constitutes the exclusive remedy against ASCH for alleged defects in materials and workmanship. This warranty gives you specific legal rights and you may have other rights, which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.
